

## A-320QM

Vehicle Mount for A-320 Series Amplifiers  
RF Amplifiers

Amplifier not included

### Features

- Rugged construction
- Coiled steel wire dampers
- Nylon amp holder with steel reinforcement
- Latch can be operated quickly with one hand

### Overview

The A-320QM is designed to quickly and easily mount any A-320 series amplifier. It is lightweight (less than 0.45 kg without amplifier) and adaptable to most military vehicles and base stations.

The A-320QM features rugged construction, and is backed by a three-year warranty. The mount is designed to meet or exceed MIL-STD-810G standards for shock and vibration.
